Circuit morning prayers & weekly fellowship activities resume in the New Year

10% off Flourish Woven Threads ticket prices until the end of December (code: ADVENT). Nicola, Caroline & Rachel are going...anyone else?! Great opportunity to worship & learn with other Christians from the District.

Knaresborough-based *The Paul Mirfin Band* have featured on Songs of Praise & Christian radio stations. In 2018 they recorded *The Ancient Road*, which talks of a journey, not necessarily an easy one, of hope & destination. In 2021, Craig, from our community, produced a [video](#) which perfectly captures the song.

Many people receive these Notices in paper copy and also nearly 100 people by email. I reckon I know around 60% of you - my 2026 resolution is to meet or email the other 40%. Do please say hello or drop me a line if we haven't met! Rachel

*If you are new to this Church or to this area, we look forward to meeting you  
and sharing with you the life of this community*
